

## Alumni Spotlight

March 2023

### Cheri Bruce Class of 2022

Cheri Bruce graduated from CVCC's Adult Diploma Program by completing the Adult Education Graphic Design for Print and Web Production program in December 2022. Cheri heard about CVCC through a coworker, and felt it could provide her with the resources she was looking to acquire. Cheri was grateful for the opportunity to obtain her diploma through completing CVCC's program. Cheri dealt with some hardship during her last year of high school, which prevented her from graduating. Finally getting her diploma felt so deserving for Cheri. Completing this program has given Cheri confidence in knowing she can do and learn anything she sets her mind to. Cheri's next step happens to be making a big move out of state; however, once she gets settled she hopes to look for further educational opportunities. CVCC wishes you the best of luck!!
