February 2023

Hanan Hasan Class of 2022

Hanan Hasan graduated from CVCC's Adult Diploma Program by completing the Web Design & Animation program in October 2022. Hanan was looking for a quality school to obtain her diploma and was recommended to explore the options CVCC provides. Hanan appreciated the team work element within the program and how helpful her instructor was to her and her classmates. Hanan was motivated to obtain her diploma and complete CVCC's Web Design & Animation Program to be a positive role model for her daughter, and show her that she's capable of accomplishing great things!

Hanan hopes her hard work will show her daughter to never give up and to pursue her goals! All in all, Hanan plans on staying in the Web Design field and is excited to see what the future holds. CVCC congratulates Hanan and wishes her continued success for years to come!
