### Patrick Fetzer Class of 2022

Patrick Fetzer is a 2022 graduate of CVCC's Adult Education Adult Diploma Program and Graphic Design for Print and Web Production Program. Patrick chose this program because it fit well with his interests. Having past training in graphic design, he was looking to learn more about the subject matter. Patrick appreciates how helpful his program instructor was during his time at CVCC. Patrick felt like he really wanted to help students succeed and cared about their future. Patrick is grateful to CVCC's Adult Education Adult Diploma Program (ADP), as it is the first one he felt really connected with and was able to successfully stick to. Patrick earned four Adobe certifications throughout his time in the program and now plans on attending Tri-C to study Cyber Security.

Currently, Patrick is using his design skills to create artwork for people in his life. He recently designed something for his friend's martial arts studio (see image). Overall, Patrick is grateful for the opportunity he has been given and feels he finally obtained the needed foundation to have a quality career and life. Best of luck in all you do Patrick!
