Alize Reyes

Cuyahoga Heights District

Alize Reyes is a senior at Cuyahoga Heights High School and is enrolled in CVCC's Sports Medicine Exercise Science (SMES) program instructed by Mr. Fahey. Alize enrolled in this program due to her liking of the athletic training field; she wanted to solidify that this area was the right fit for her. Her favorite part of the program has been the people she has gotten to know in her class. She has enjoyed meeting others from surrounding districts, and appreciates how like-minded they are in term of interests and goals. Keeping up with the course work can be challenging, however it is worth it!

Alize appreciates the relaxed, hands-on environment CVCC provides students. She also is thankful for the great teaching staff, specifically her instructor Mr. Fahey. Alize is the president of her class at CVCC and is also in National Technical Honor Society. At Cuyahoga Heights High School, Alize is class president as well, is in National Honor Society, and is involved in soccer, softball, and gymnastics. After graduating high school, Alize plans to attend Texas A & M University and play softball, along with completing a master's in athletic training. Alize hopes to work towards becoming an athletic trainer at the collegiate or professional level. What exceptional goals, best of luck Alize!
