

## Seth Stannard

### Revere District

Seth Stannard is a senior at Revere High School and is enrolled in CVCC's Sales & Service Fundamentals program instructed by Mrs. Wracher. Seth appreciates the skills the Sales & Service program has taught him, specifically laundry skills. He enjoys the social elements of the program also, for example the Halloween party his class had, which was very fun for Seth and his fellow classmates. Seth also enjoys going to job sites. For example, Seth and his class go to Innovation Foods and assist with food preparation regularly. Although asking for help is a challenging element of the program for Seth, he is learning how to do that more comfortably. Overall, Seth appreciates the environment CVCC provides students- it has a great sense of community and has allowed Seth to make friends, along with learning useful skills.

As mentioned, Seth spends a lot of his time on job sites. He also spends time at Heinen's where he helps out in the bakery, as well as at CVS where he assists in stocking shelves. Seth is also involved in the Strong Teens social group at Revere, where he volunteers and socializes with other students. For fun, Seth enjoys playing Nintendo Switch, and Wii Sports, specifically bowling and baseball. He also is a Cleveland Guardians fan. After graduating high school, Seth plans to work at the Giant Eagle grocery store in Twinsburg within the dairy products section. Best of luck in all that you do Seth, CVC is thrilled to be part of your journey!
