Austin Goettel

Brecksville-Broadview Heights District

Austin Goettel is a junior from Brecksville-Broadview Heights High School and is enrolled in CVCC's Culinary Arts program, instructed by Ms. Morton. Austin has been interested in the culinary field for years! His favorite part of the program so far has been trying different foods and flavors to see what works well together. Austin feels cooking is like an art, and enjoys being creative. He takes inspiration from shows like "Master Chef" which has made him even more passionate. Austin has had to learn to keep calm and stay collected in the kitchen, which has translated to a good lesson to incorporate in life as well. Overall, Austin appreciates CVCC for providing students with quality skills that can be used in a future career.

Austin is involved in SkillsUSA and also serves as the Secretary for the junior class. Outside of school, Austin works at a local Mexican restaurant and plays basketball. He also enjoys racing dirt bikes and lifting weights at the gym. Looking ahead, Austin would love to follow his passion and continue in the culinary field. He is also contemplating going into business/sales with his father. Austin would love to have his own restaurant one day, as this would combine both business and culinary elements, both of which he enjoys! Ultimately, Austin's hope is that he is stable and happy. Keep up the great work Austin!
