Shai enjoys the exciting projects done in class, as well as the student teaching opportunities that are available. Shai has appreciated getting to know everyone in her class, as she has made great friends. She also appreciates the quality environment CVCC provides.

Outside of academics, Shai is involved in softball and golf, she also coaches softball during the summer months. In her free time, Shai enjoys spending time with friends. She hopes to attend college out of state, specifically somewhere warm, and play softball. Academically, Shai plans to study biology and education; her goal is to become a biology teacher. Best of luck in all you do Shai!
