Maria Scurry

Garfield Heights District

Maria Scurry is a junior at Garfield Heights High School and is enrolled in CVCC's Medical Administrative Specialist (MAS) program instructed by Ms. Clements. Maria joined the MAS program to learn of the opportunities within the administrative side of the medical field. She's enjoyed learning medical terminology, while the areas of laws, ethics, and guidelines have been more complex. Maria appreciates the calm atmosphere CVCC provides, as well being treated more independently overall. Maria recently competed in the Business Professionals of America Regional contest and will go on to the State competition in the coming months.

Maria is a member of the National Honor Society at Garfield Heights High School and is involved in volleyball. In her free time, Maria enjoys shopping and traveling. After graduating high school, Maria plans to continue her education at a four-year college. She is still deciding what area to go into, however she plans on staying in the medical field. She aspires to possibly become a neonatal nurse practitioner. Best of luck Maria, keep up the great work!
