Skye Percy

Twinsburg District

Skye Percy is a junior at Twinsburg High School and is enrolled in CVCC's Medical Administrative Specialist (MAS) program instructed by Ms. Clements. Skye wanted to pursue a medical career due to family members' success in the field and the MAS program seemed the best way to accomplish that goal. She has enjoyed learning typing skills, however balancing two different schools can be challenging. All in all, Skye has appreciated having the opportunity to learn at both Twinsburg High School and CVCC. Skye recently competed in the Business Professionals of America Regional contest and will go on to the State competition in the coming months.

Outside of academics, Skye is involved in the Black History Club and Minority Student Union at Twinsburg High School. She enjoys going to basketball games, driving around with friends, as well as going shopping and out to eat. After high school, Skye plans on becoming an ultrasound technician. She also is considering exploring becoming a flight attendant or the marketing field as well. Keep up the exceptional work Skye!
