

Casey Conte

Cuyahoga Heights District

Casey Conte is a junior at Cuyahoga Heights High School and is enrolled in CVCC's Education Professions program instructed by Mrs. Everhart. Having had the opportunity to help kids with special needs, Casey felt it was her passion to continue on in this area. She appreciates CVCC's program as it has helped her get ahead and have opportunities, like going out in the field and experiencing what teaching is really like. Casey's favorite part of the program is learning new reading techniques to help in teaching students. Learning to balance the workload of both CVCC and her classes at Cuyahoga Heights High School can be challenging, but Casey is up for the tasks at hand! Overall, Casey appreciates the environment at CVCC as it is very welcoming and comfortable. She has been able to make great connections with her classmates, as well as students she is helping through field experience.

Outside of academics, Casey is involved in wrestling at Cuyahoga Heights, and works at a local ice cream store and gym. She also babysits often and is a summer camp supervisor. Casey enjoys spending time with her friends, going to the movies and shopping. Casey has also published a book on mental health called "Thoughts of Her." Additionally, Casey runs an eating disorder and anxiety recovery page on Instagram; what incredible and honorable accomplishments! Looking ahead, Casey hopes to attend the University of Cincinnati and double major in Special Education and Early Education Pre-K-3. She hopes to one day work at the Kennedy Center getting experience with those who have autism. She also is open to becoming an intervention education specialist, or possibly a teacher helping students with special needs. What inspiring goals Casey, keep up the exceptional work; CVCC is honored to be a part of your journey!
