Karlin Williams

Garfield Heights District

Karlin Williams is a junior at Garfield Heights High School and is enrolled in CVCC's Education Professions program instructed by Mrs. Everhart. Karlin is interested in pursuing the child psychology field as a career, and felt CVCC's program would be a great starting point. Her favorite part of the program has been going to a local elementary school and shadowing the special education kindergarten teacher. Karlin has really appreciated being immersed in the classroom environment. Karlin enjoys being around like-minded people at CVCC and feels the Education program is like a little family. Karlin is also taking classes at Tri-C, which is giving her a head start on college requirements.

Outside of academics, Karlin is involved in show choir at Garfield Heights High School. In her free time, Karlin enjoys singing, cooking, and spending time with her mom. After graduation, Karlin hopes to go on to college and study psychology. Her goal is to become a doctor in the child psychology field, as she hopes to make an impact on and help young people. Best of luck Karlin, keep up the great work!
