John “Geno” O’Connor Nordonia Hills District

John “Geno” O’Connor is a junior at Nordonia High School and is enrolled in CVCC’s Construction Trades program instructed by Mr. Yuravak. Having an interest in carpentry, Geno felt the program would be a great way to learn more about the subject matter. Geno enjoys seeing the progress being made throughout his time in the program. He appreciates that CVCC provides avenues for students to learn skills they can use for the rest of their lives. Geno is currently the president of the SkillsUSA Local Chapter for CVCC and recently went to Columbus, Ohio to participate in a leadership conference and officer elections. He was elected one of seven officers for the North Central Region and will be attending the Regional Officer Training Institute this month.

Outside of school, Geno is a lifeguard, enjoys playing basketball, hiking and listening to music. He hopes to be an entrepreneur and have his own business one day. Keep up the exceptional work Geno! Best of luck to you!
