

## *Student Connection*

January 2023

Cameron Wilkerson

Twinsburg District

Cameron Wilkerson is a junior at Twinsburg High School and is enrolled in CVCC's Sports Medicine Exercise Science (SMES) program instructed by Mr. Fahey. Cameron wanted to learn new things and be better prepared for his future, so joining CVCC's program seemed like a great first step. Cameron enjoys the lab portion of the class as it is very interactive. Cameron noted anatomy can be challenging, however is worth the effort. Cameron appreciates the environment CVCC provides students to learn quality skills. Cameron plays basketball at Twinsburg High School and works at a local Dick's Sporting Goods store.

In his free time, Cameron enjoys going to the gym, playing basketball, and spending time with his family. After high school, Cameron hopes to go on to college and play basketball. He is also open to pursuing modeling. Cameron's dream is to play in the NBA, however his back-up plan is to become a physical therapist or physician's assistant. Best of luck Cameron, keep up the exceptional work!
