March 2023

Nathan Pogozeleski

North Royalton District

Nathan Pogozeleski is a junior at North Royalton High School and is enrolled in CVCC's Medical Administrative Specialist program instructed by Ms. Clements. Nathan always found the medical field very interesting. His favorite part of the program has been learning proper ways to process medical documents. The medical terminology component of the program has been challenging, however essential. Nathan appreciates the quality environment CVCC provides and has made great friends within his class. Nathan recently completed training that earned him an industry credential which he can take with him upon graduation. In his free time, Nathan enjoys relaxing and shopping. He plans on staying in the medical field upon graduation and is considering furthering his education. Best of luck in all that you do Nathan!
