### Alex Kalista

### Twinsburg District

Alex Kalista is a senior at Twinsburg High School and is enrolled in CVCC's Health Careers program instructed by Ms. Ellis. As a kid, Alex liked the hospital setting and wanted to help others; the nursing field seemed like a great fit! He enjoys the hands-on component of the program, though the anatomy element was a bit tricky. Alex appreciates the college-like setting of CVCC and that it brings students together from various areas. He also appreciates that the teaching staff comes directly from the trades they educate others on; as they bring a quality perspective to what is being taught.

Alex works at a local nursing home as an STNA. In his free time, he enjoys playing video games and basketball. After high school, Alex plans on going to college at Bowling Green State University and becoming a registered nurse. He hopes to become a travel nurse and explore the world!
