## **Teshirah Hawkins-Rau** **Cuyahoga Heights District**

Teshirah Hawkins-Rau is a senior at Cuyahoga Heights High School and is enrolled in CVCC's Graphic Imaging Technology (GIT) program instructed by Mr. Ruebensaal. Teshirah has always been a creative person, looking to draw whenever she could. She felt CVCC's GIT program would be a good avenue for her to channel her creative energy. Teshirah has enjoyed getting to know her instructor and fellow classmates throughout her time at CVCC. Teshirah feels that though certain testing within the program can be challenging, it is worth the effort, as it adds greatly to her knowledge. Teshirah appreciates the supportive, comfortable environment CVCC provides.

Outside of academics, Teshirah loves animals, and enjoys being in anything related to animals. Teshirah recently shadowed at Tri-C's Veterinary Technician program. Teshirah plans to complete general classes at Tri-C, and then transition to the Veterinary Technician program during her second year of college. Teshirah hopes to be able to have a career working with animals, as well as utilize skills she has learned throughout CVCC's GIT program. Keep up the amazing work Teshirah!
