Sharon Loucka Palmer

September 2022

Brecksville-Broadview Heights District

Sharon Loucka Palmer is a junior from Brecksville-Broadview Heights High School and is enrolled in CVCC's Medical Administrative Specialist (MAS) program, instructed by Ms. Clements. Sharon was encouraged by her brother, a former CVCC student, and her parents to attend the career center. Being that Sharon's parents are in the medical field, she wanted to learn more about that area and see if it would be a good fit for her long term. Sharon really appreciates the updated classroom setting and equipment available within the MAS program. It has been challenging to get used to the new schedule of attending two different schools during her day, however Sharon is getting used to the adjustment.

Sharon is grateful to CVCC for providing her independence and a place to learn a subject matter she is genuinely interested in. The hands-on lab work is Sharon's favorite part of the program so far. Sharon was recently voted class president by her fellow classmates. She also works at a local pet store and is involved in track and field, and SADD club at Brecksville-Broadview Heights High School. In her free time, Sharon enjoys spending time with friends. She spent her summer swimming and going boating on a local lake. Looking ahead, Sharon plans to stay in the medical field and hopes to learn more about phlebotomy. Her goal is to have a stable, successful career one day. Best of luck Sharon, CVCC is thrilled to have you as a student!
