Taylor Blasco

Cuyahoga Heights District

Taylor Blasco is a senior at Cuyahoga Heights High School and is enrolled in CVCC's Health Careers program instructed by Ms. Ellis. Taylor enjoys helping others, which is one of the reasons she wanted to join this program. She is thankful to CVCC for giving her a head start in exploring a subject matter she hopes to have as a lifelong career. Her favorite part of the program has been the lab work component as it is very hands-on. Taylor explains that the program is quite rigorous and takes a lot of work, however is worth the time and effort. Taylor appreciates that CVCC provides a place for students from various areas to come together and learn. She has enjoyed getting to know others from surrounding districts.

Taylor continues to have outstanding grades and attendance, which she has upheld throughout her time at CVCC. She is also involved in volleyball and track at Cuyahoga Heights High School, as well as works at a local restaurant. In her free time, Taylor enjoys being with friends and family. After graduating high school, Taylor plans to attend Tri-C and then go on to Cleveland State University to complete a bachelor's of nursing program. Her goal is to be a neonatal intensive care or trauma unit nurse. What incredible goals, keep up the amazing work Taylor!
