## Alexandra Leffler

### Independence District

Alexandra (Alex) Leffler is a senior at Independence High School and is enrolled in CVCC's Dental Assisting program instructed by Ms. Theodore. Growing up, Alex had a lot of dental work done, and was at the dentist very often. This sparked her interest in the field as a potential career. Alex appreciated CVCC giving her the opportunity to meet others, as she has made many friends. The material of the program can be very vigorous; however, Alex is up for the task! Alex has enjoyed everything CVCC has to offer students. She particularly is thankful to the great teaching staff, as they are always so helpful! Alex's instructor, Ms. Theodore noted, "Alex shows tremendous leadership skills

during class." Alex is president of her class at CVCC and was heavily involved in the Health Occupations Students of America (HOSA) competitions last year. She also worked at a local orthodontic office, where she learned even more skills.

Additionally, Alex is involved in vocal ensemble and softball at Independence High School. Alex enjoys dancing as well, as she is a member of a local studio where she participates in contemporary, lyrical, hip hop and jazz. After graduation, Alex plans to attend Youngstown State University and complete the dental hygiene program. She hopes to have a quality, lasting career as a dental hygienist. Best of luck in all that you do Alex!
