

## **Emily Bialkowski**

### **North Royalton District**

Emily Bialkowski is a senior at North Royalton High School and is enrolled in CVCC's Health Careers program instructed by Ms. Ellis. Having a job at a long term health care facility, Emily wanted to learn more about the field; CVCC's program has been a great fit! She enjoys the lab work component of the program, as it is very hands-on. Specifically, learning the STNA curriculum has been extremely beneficial as well. Emily appreciates being at CVCC and the resources available to students. Emily is a class officer, titled Historian, and was heavily involved in the Health Occupations Students of America (HOSA) competitions last year.

As mentioned, Emily also works at Regina Health Care Center as a resident assistant. Emily is also involved in soccer at North Royalton High School. In her free time, Emily enjoys painting, hiking, and walking her dog. She also enjoys spending time with her boyfriend. After graduation, Emily plans to go on to college and obtain a nursing degree, as well as look into other employment opportunities. She hopes to be a pediatric or labor and delivery nurse, as well as participate in travel nursing. Keep up the exceptional work Emily! Good luck!
