Arianna Bennardo

Twinsburg District

Arianna Bennardo is a senior at Twinsburg High School and is enrolled in CVCC's Construction Trades program instructed by Mr. Yuravak. Arianna always enjoyed building, and wanted to learn more about the area. She has greatly enjoyed the framing and electrical components of the program, noting, "[It is] like a puzzle you need to figure out." The skills Arianna has learned and continues to learn in her program takes a great deal of practice. Overall, Arianna appreciates the family-like dynamic of the Construction Trades program. She also loves being able to do what she genuinely enjoys during her day. Arianna has proven to be a great leader in her class, as she participated in SkillsUSA as a delegate, and is also president of her class. Arianna has also maintained straight "A" grades during her time at CVCC.

Outside of academics, Arianna plays hockey at Twinsburg High School and is a lifeguard at the recreation center. In her free time, Arianna enjoys hanging out with friends and family. After graduation, Arianna plans on continuing her education at Kent State University by obtaining a construction management degree. She plans to keep working in the carpentry field and continue gaining quality experience. Arianna hopes to own her very own construction business one day. Keep up the incredible work Arianna!
