

EARN COLLEGE CREDIT

Career-Technical Credit Transfer (CT)2

Ohio's Articulation and Transfer Policy. Students are guaranteed the transfer of applicable credits among Ohio's public colleges and universities and equitable treatment in the application of credits to admissions and degree requirements. (CT)2 helps more high school and career-technical students to go to college and enter with college credit; technical credit saves students money and time; and Ohio business and industry will benefit from more employees with high education and advanced skills. This site provides information on career-technical course work that students can complete and transfer. It also provides information for campus staff to facilitate program approval for their career-technical programs.

Students who successfully complete specified technical programs are eligible to have technical credit transfer to Ohio public colleges and universities. This transfer of credit is described in Career-Technical Assurance Guides (CTAG). CTAGs are advising tools that assist students moving from Ohio secondary and career-technical institutions to Ohio public institutions of higher education. <https://transfercredit.ohio.gov>.

Ohio Tech Prep

The Ohio College Tech Prep program is a seamless, non-duplicative, integrated pathway of education and experience that begins in 11th grade and continues through college and beyond. The curriculum reflects real-world technical careers in high demand today and prepares students to be college and career ready. The Tri-C Tech Prep program connects high school and college education to high-skill and high-demand technical employment. Students are enrolled in the Tech Prep program through their high school district.

Bilateral Articulation Agreements

Bilateral Articulation Agreements are created between a high school career technical program and a specific Ohio college or university. These agreements are established, written, and agreed upon by both educational institutions to grant college credit opportunities to high school students. Cuyahoga Valley Career Center has Bilateral Articulation Agreements with the following colleges and universities for select programs.

- Hocking Technical College
- Kent State University
- Stark State
- The Culinary Institute of America
- The University of Akron
- University of Northwestern Ohio
