Annalise Havens

Brecksville-Broadview Heights

Annalise Havens is an adult student from the Brecksville-Broadview Heights district and is enrolled in CVCC's Adult Education Cosmetology program. Annalise chose to enroll in the Cosmetology program to learn more about hair and makeup, two things she has always been passionate about putting into physical form. When deciding what school to attend for such program, Annalise said she chose CVCC because she heard great things about the school and the program from her peers and she wasn't sure what she wanted to do after high school.

"Annalise is consistent, supportive, and focused. She is an example to her fellow students, and recruits actively for the program. Thanks to Annalise, we have one of her friends starting the program!" -Terri Lynn Brosseau, Adult Education Coordinator

After graduation, Annalise's immediate goal is to pass her State Boards and then experience "salon life" to learn the ropes from a professional that's been working in the industry. After that, she hopes to potentially own a salon or work from home.

Outside of school, Annalise works full-time as a barista at Starbucks. In her spare time, she enjoys thrifting, being outdoors, and playing video games. Keep up the great work, Annalise! CVCC is thrilled to help you achieve your dreams.
