CUYAHOGA VALLEY CAREER CENTER

Kyle Yost Revere

Kyle Yost is a junior at Revere High School and is enrolled in CVCC's Auto Body program instructed by Michael Kapis. Kyle has never enjoyed school much, and was looking to learn hands-on skills in a trade that would allow him to enter the work force right away. Kyle's friend attended a different program at CVCC a few years back and said great things, which is ultimately what inspired Kyle to make the decision to attend. After just little time at CVCC, Kyle now looks forward to going to school because he gets to put those hands-on skills into action within his program.

"Kyle gives 100% everyday, is helpful to others, always has a great attitude, and does the right thing even when nobody is looking." -Mike Kapis, Auto Body Instructor

Kyle's advice to current and future students is to not take anything too seriously. After graduation, Kyle isn't sure what his "dream job" is, but he hopes to explore hyperbaric (underwater) welding!

Outside of academics, Kyle is heavily involved in baseball and enjoys playing pickleball in his free time. Keep up the great work, Kyle!
