Tylar VanNess Twinsburg

Tylar VanNess is a senior at Twinsburg High School and is enrolled in CVCC's Construction Trades program instructed by Paul Yuravak. Tylar chose to attend CVCC because she wanted to learn hands-on skills in a trade that would allow her to enter the workforce right away. Initially, she wasn't sure what program she wanted to attend, but after going to CVCC's open house a few years ago and talking to Mr. Yuravak, she had that unexplainable feeling with the Construction Trades program and knew it was the right fit for her. Her favorite part of the program is all of the problem-solving skills that are involved.

"Tylar is a leader in and out of the classroom, a hard worker, and a student I can count on in any given situation." -Paul Yuravak, Construction Trades Instructor

Tylar is also the Vice President of the SkillsUSA Local Chapter. The SkillsUSA organization is one of Tylar's favorite things about attending CVCC because she gets the opportunity to go on trips, assist with fundraising events, and best of all, the program feels like family to her.

Outside of academics, Tylar is heavily involved in horseback riding, enjoys makeup, and works 40 hours a week at a pizza shop! After graduation, Tylar plans to go into early job placement and work her way up with the skills she has learned at CVCC. Keep up the great work, Tylar!
