

Wood's Automotive Services LLC, located at 7301 Memphis Avenue, Brooklyn, OH (formally Wally's Auto Service) is actively searching for full-time, hourly paid employees: an Automotive Technician (A or B) and a Service Specialist (C). The A or B technician will be responsible for diagnostics, vehicle repair, and maintenance services, as well as maintaining the cleanliness of the shop and their work space. The C technician will be responsible for mostly maintenance services with the opportunity to acquire additional skills. They will both be expected to work Monday through Friday, from 8am to 5pm, with some overtime possible. The ideal candidate should have a high school diploma or GED, and at least 1 year experience working in automotive repair. Automotive Service Excellence (ASE) Certifications are expected but not required to start. The ideal candidates will have a commitment to safety, high level of communication, always be willing to learn, be organized, and able to ask questions and offer suggestions. Candidates are expected to always conduct themselves with honesty and integrity, with both customers and coworkers. Employees will be expected to bring their own tools to create their work space, with the ability to purchase additional tools through our vendors. Based on experience, the Automotive Technician candidate would be paid between \$15-20/hour, and the Service Specialist would be paid between \$12-15/hour, both with the possibility of an annual bonus.

We offer:

- Paid time off (PTO) available after 6 months
- On-the-job paid training
- Professional development assistance with ASE's, with any ASE's passed after date of hire to be reimbursed

If you have a passion for working on vehicles and helping our customers, please submit your resume' ASAP to woodsauto7301@gmail.com and we will be in touch!
