Shai Moore

Cuyahoga Heights

Shai Moore is a senior at Cuyahoga Heights High School and is enrolled in CVCC's Education Professions program instructed by Josephine Everhart. Ever since she was little, Shai has known she wanted to be a teacher. *"As soon as I found out CVCC offered an education program, there was no question or hesitation about attending."*

Shai is currently out on placement at her homeschool, shadowing Mrs. Voytek, her previous biology teacher whom she adores and has inspired her to continue her goal to become an educator. Shai also wants to be a science teacher, specifically teaching biology, so her placement opportunity couldn't have worked out more perfectly!

"I have loved everything about my placement. It's been such a wonderful experience. I couldn't even tell you my favorite part. It's been so fun learning how to teach kids and see first-hand what my day-to-day will look like after college in the field. This opportunity is one that most students don't get to experience until they're in college." -Shai Moore

Shai appreciates that CVCC has paved a good path for her and has allowed her to get a glimpse into her career. Most of all, she appreciates the opportunity to do a field placement and gain real-world experience in her field, especially from someone she really looks up to.

Outside of academics, Shai is on the softball team and golf team at Cuyahoga Heights High School, and is also on Ohio Varsity Vipers, a travel softball team. Shai will be attending Penn State New Kensington for softball, and will also be going to Italy this summer for softball. Keep up the great work, Shai!
