## Nick Graver

### Cuyahoga Heights

Nick Graver, a senior at Cuyahoga Heights High School, is currently enrolled in CVCC's Auto Body program under the guidance of instructor Michael Kapis. Raised in a family where both his father and brother shared a passion for cars, Nick naturally developed a love for them as well. When he discovered the Auto Body program at CVCC, there was no hesitation in his decision to join and explore it.

Upon graduation, Nick aspires to further his education with the ultimate goal of establishing his own body shop specializing in paint work.

One of Nick's most cherished experiences in the program was a field trip to Penske, where he found great fascination in observing commercial semis. Additionally, he thoroughly enjoys using the VR set in class to paint cars, relishing the hands-on experience and the freedom from the confines of a traditional classroom setting.

Beyond his academic pursuits, Nick finds joy in playing video games and indulging in car shows. Keep up the excellent work, Nick!
