## Andrionna Wells

### Garfield Heights

Andrionna Wells, a junior at Garfield Heights High School, is currently enrolled in CVCC's Medical Administrative Assistant (MAS) program under the instruction of Lisa Clements. Her decision to attend CVCC stems from her desire to explore the medical field, inspired by her mother, who works as a nurse.

Recently, Andrionna achieved 1st place in two events at BPA Regionals: Fundamental Word Processing and Health Administration Procedures. BPA has become one of the highlights of her experience at CVCC.

Reflecting on her time at CVCC, Andrionna expresses a shift in perspective towards both education and life. Initially apprehensive, she quickly overcame her nervousness and now finds great enjoyment in the MAS program. In the coming years, Andrionna aims to further explore her interests and identify her career path, with a current focus on the intersection of medicine and business.

Beyond academics, Andrionna is actively involved in the drama club and the flagline team at Garfield Heights High School. She aspires to deepen her engagement in dance, particularly ballet, in the near future. Additionally, Andrionna is a member of the 100% club at CVCC, boasting perfect attendance throughout the year. Keep up the exceptional work, Andrionna!
