Savanna Adamini Nordonia Hills

Savanna Adamini, a junior at Nordonia High School, is currently enrolled in CVCC's Medical Administrative Assistant (MAS) program under the instruction of Lisa Clements. Inspired by her older brother's positive experience in the HVAC program, Savanna sought to explore her options at CVCC. With aspirations possibly aligned with her mother's career at the Cleveland Clinic, she found the MAS program to be the ideal fit.

"I was thrilled when I toured CVCC, saw the MAS classroom, and learned about the program. It was an easy and exciting decision!" -Savanna Adamini

Within the MAS program, Savanna particularly enjoys delving into a broad range of medical terminology. She has a passion for learning, especially about human anatomy. *"What I appreciate most about CVCC is that it feels more like a job than school. Opting for the MAS program has reaffirmed my desire to pursue a career in the medical field, particularly on the business side," adds Savanna.*

Outside of her studies, Savanna is an active member of Business Professionals of America (BPA) at CVCC. She excelled in all four areas she competed in at States and is set to compete at Nationals in May! During her leisure time, she enjoys spending time with family, watching baseball, indulging in retail therapy, and traveling. Keep shining, Savanna!
