Bayley Mitchell Twinsburg

Bayley Mitchell, a senior at Twinsburg High School, is currently enrolled in CVCC's Health Careers program under the guidance of Patty Valukievic. Bayley's longstanding passion for assisting others led her to pursue a career in the healthcare field. However, she initially felt uncertain about the specific path she wanted to take. Upon discovering the Health Careers program at CVCC, Bayley seized the opportunity to immerse herself in the field, gain valuable experience, and explore her interests further. After two years in the program, she has determined that she aspires to become an OB/GYN or an Ultrasound Technician!

Reflecting on her experience, Bayley acknowledges the invaluable support and guidance provided by Mrs. Valukievic, who fosters a genuine concern for her students' aspirations and challenges them to confirm their commitment to the demanding path of healthcare. Bayley's favorite aspect of the program has been acquiring a comprehensive understanding of medical terminology, leveraging her affinity for vocabulary and memorization.

Active engagement in HOSA since her junior year showcases Bayley's dedication, culminating in her remarkable achievement of qualifying for Nationals after securing first place at States last year. Despite her reserved demeanor, Bayley's commitment to her studies and multifaceted responsibilities, including work, academics, family, and faith, speaks volumes about her character. Recently, she embarked on a role as a Dietary Aide at Aurora Manor Nursing Home, further illustrating her dedication to her chosen career path.

In addition to her academic pursuits, Bayley finds joy in dancing, skating, and spending time with her sisters. As she prepares to graduate from high school, Patty Valukievic extends her heartfelt wishes for Bayley's continued success, recognizing her unwavering determination and potential. Keep shining, Bayley!
