Job Title: Welder

Full/Part-time: Part-Time, Full-Time, Seasonal **Job Hours:** Monday-Friday, 7:00am-3:30pm

Job Duties: Marlin is looking to add a new welder (any skill level) to our team.

This is the perfect opportunity to add welding experience to your resume! Can only work during the summer? Looking to work short-term? Want a long-term career? No problem, we can accommodate your career aspirations!

About Marlin Manufacturing:

Marlin manufactures, services, and distributes temperature instrumentation for research and industrial applications. Our operating hours are 7am – 3:30pm. Our plant is clean and fully climate controlled (air conditioned all summer, heated in the winter). For our full-time, permanent employees, we offer benefits including Medical, Dental, Disability, Life and AD&D insurance, 401(k), paid holidays, and generous paid time off.

This can be a temporary or a permanent position with room to grow within the company. We are looking for candidates that show dedication to their work. Good attendance is expected of all employees.

Marlin is located near the intersection of W. 130th and Snow Road (about 4 miles east of the airport) in Parma/Cleveland and is within walking distance of bus routes.

What are we looking for in our candidates:

- With all experience levels
- A general understanding of welding
- A willingness to learn – we will train you!
- Ability to read drawings and measurements
- Perform quality checks

Compensation: Starting at 15.00/hr
