Upcoming College Night

Cuyahoga Valley Career Center will host College Night on Wednesday, October 2, from 6:00 p.m. to 7:30 p.m. This event is sponsored by the Cuyahoga Valley College Night Consortium (CVCNC) and is in coordination with the Ohio Association for College Admissions Counseling. CVCC will be utilizing StriveScan, a college fair scanning app, that will send participants a QR code to use during the event for colleges to scan and send more information about their school—it's free, saves time, and saves paper! CVCC invites all those looking to connect with various colleges and universities, technical centers, and military academies to attend. A Financial Aid presentation by Kent State University will also be available to attendees from 6:15 p.m. to 7:00 p.m. This free event will be held at CVCC; registration is not required. For more information, contact Josh Hayes, Assistant Principal, at JHayes@cvccworks.edu or 440-746-8260.

A list of attending institutions can be found on our website at:

Fire & EMS Academy Students Pay Tribute

On Wednesday, September 11, CVCC's High School Fire and EMS Academy students took time to honor and remember those lost and impacted by the tragic events that changed our nation 23 years ago. We reflect on the lives lost, the bravery displayed, and the resilience of our country in the face of adversity. Thank you to our Fire & EMS Academy students and instructor, Mrs. Nelligan, for commemorating this day with such respect. A beautiful tribute.

Open House for High School Students

On Thursday, September 5, CVCC High School staff hosted their annual Open House, welcoming students and their parents. Attendees had the chance to tour program areas, meet their child's program instructor, academic teachers, guidance counselors, transition coordinators, and administrators. Parents got a firsthand look at program spaces, labs, and ongoing student projects. Teachers provided insights into what the year will bring for each program and outlined key expectations. CVCC extends its gratitude to all the parents and students who participated—it was a fantastic turnout! We look forward to another successful school year ahead.

Media Arts Alumni Visit

It was incredibly inspiring to welcome Marty Kane, Class of 2008, back to CVCC on September 5. He shared his journey from CVCC to becoming a Senior Motion Designer at Apple, where he contributed to the Apple Vision Pro. We are immensely proud to recognize him as a Distinguished Alumni. Thank you, Marty, for your time and for offering such valuable insights and knowledge to our students!
