Jordan Hill

Garfield Heights

Jordan Hill, a junior at Garfield Heights High School, is enrolled in CVCC's Sports Medicine Exercise Science program under the instruction of Shawn Fahey. Hearing positive feedback from friends who attend CVCC made the decision to attend an easy one when the opportunity arose for Jordan.

In just a few short months at CVCC, Jordan's study habits have seen a remarkable improvement. *"I actually look forward to going to school and want to learn. My program is really engaging. It used to be hard for me to focus in class, but the hands-on environment has changed that immensely."*

Jordan has particularly enjoyed the class labs, especially learning how to tape and wrap. He advises that while the work is challenging, attending CVCC is a rewarding experience that he highly recommends to others.

Outside of academics, Jordan is actively involved in football, track, and wrestling at Garfield Heights High School. His ultimate dream is to play in the NFL! Despite his busy schedule, Jordan values spending time with friends and family whenever possible. Keep up the great work, Jordan!
