Soph Massouh

Revere

Soph Massouh is a student at Revere High School currently enrolled in CVCC's Sales & Service Fundamentals program, taught by Mindy Wracher. Soph was eager to join this program, knowing it would provide her with the chance to explore a variety of career options that align with her unique circumstances and medical needs. In class, Soph has particularly enjoyed using the cash register and collaborating with her classmates. Her favorite aspect of the program is visiting different job sites. *"It's so fun to be out and about. Plus, we get to ride in the van together, listen to music, and share lots of laughs."*

Soph's favorite visit so far has been to Wild Republic. *"It was incredible! We toured the facility, played with stuffed animals, and even got to dress them up!"* She's thrilled to keep exploring different workplaces.

After high school, Soph hopes to pursue a career in animal rescue and work at an animal shelter, with a special focus on her favorite animal—dogs. In her spare time, she loves drawing, trying delicious foods, and shopping for shoes. Fun fact: her favorite food is burgers! Soph's advice to future CVCC students? Don't be nervous—your teachers are super kind and genuinely want to help you succeed. Keep up the awesome work, Soph!
