How to Enroll

Interested in becoming a student at CVCC?
Follow these steps to get started on your journey:

1

Schedule an appointment

During your introductory meeting, a member of our Adult Education Office will answer all of your questions and get the enrollment process started. You can schedule your appointment by:

Calling
440.746.8230

OR

Emailing
AEinfo@cvccworks.edu

OR

Visiting in person at
**8001 Brecksville Rd.
Brecksville, OH 44141**

2

Meet with us

Our team will learn more about your education goals and explain your program options. Remember to bring:

**A government-issued
photo I.D.**

AND

**A copy of your
high school diploma or GED**
(not required for Adult Diploma Program students)

3

Complete your application

Fill out the paperwork provided during your on-campus meeting and return it to our office. You can also begin the application online by scanning the QR code. Depending on your program, you may also need to complete a pre-assessment or take other additional steps.

MISSION

Cuyahoga Valley Career Center prepares youth and adults to enter, compete, advance, and lead in an ever changing world of work, college, and careers.

PRE-ENTRANCE ASSESSMENT

800014

CLOCK HOURS

3

This computer-generated WorkKeys assessment measures foundational skills required for success in the workplace. Testing subjects include applied mathematics, reading and graphic literacy (locating information).

Students can prepare for the assessment by completing the practice test at:

jobseeker.ohiomeansjobs.monster.com/Assessments/Home.aspx

Exam scores are valid for 3 years.

Requirements

- Valid government-issued ID
- Students must register at least 24 hours in advance
- Adult Diploma and EMT students should call **440.746.8230** to schedule

Multiple test dates are available each month.
Visit cuyahogavalley.augusoft.net
to register or call **440.746.8230**

TUITION: \$65
(non-refundable)

Financial Aid

As a CVCC student, we help you build the skills you need – at a price you can afford.

Thanks to our low-cost tuition, your education can quickly pay for itself after you step into your better, higher-paying job. And a number of programs are eligible for Federal Student Aid, including:

- **Cosmetology**
- **Esthetics**
- **Practical Nursing (full- and part-time)**
- **Machining Technology**

To apply for Federal Student Aid, follow these steps:

1

Create an FSA ID

If this is your first time filing a FAFSA, create your ID at studentaid.gov.

2

File your FAFSA

Visit studentaid.gov to complete and file your form.
Be sure to use CVCC's school code **(016576)** and enter the correct code for your high school.

3

Check your status

Your FAFSA should process in 3 to 5 business days. If your form takes longer to process, you may need to provide additional information for verification. Call our Student Support Services team at **440.746.8337** for assistance.

For more information on available financial aid and scholarships, visit cvccworks.edu/adult-education/adult-education-resources/financial-aid/.

For questions, contact:

Claudette Knestrick, Student Support Services

440.746.8337

cknestrick@cvccworks.edu

Office hours: **7:00 a.m. - 3:30 p.m.**

CVCC students are protected under the Family Educational Rights and Privacy Act (FERPA). To review your rights, click on the link at the bottom of our financial aid web page at cvccworks.edu/adult-education/adult-education-resources/financial-aid/. To maintain Federal Financial Aid Eligibility students must maintain Satisfactory Academic Process, SAP and Attendance.

If you have been convicted for possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid you may be ineligible for additional aid. Contact our financial aid office as soon as possible.

Student Services

Success starts here.

Our staff is invested in your success. Through CVCC's Office of Student Support Services, you can get assistance with:

Career Advising

- Program-related counseling services
- Financial aid counseling
- Studying and test-taking skills support
- Planning for successful career development
- Job placement assistance
- Resume workshops

Student Resources

- Job and Family Services recommendations for child care, food stamps and unemployment
- GED voucher program
- Tutoring
- Referrals to additional resources

Scholarships & Additional Funding

- CVCC Endowment Scholarship
- Veteran Affairs funding
- College Now of Greater Cleveland Scholarship
- Horatio Alger Career-Technical Scholarship
- Ohio Means Jobs funding
- Union Education Trust
- Lozick Family Foundation

ADA Accommodations*

- Classroom accommodations
- Academic and other support for students with disabilities

To learn more, visit cvccworks.edu/adult-education/adult-education-resources/. More information on financial aid and scholarships is available at cvccworks.edu/adult-education/adult-education-resources/financial-aid/.

For questions, contact:

Claudette Knestrick, Student Support Services

440.746.8337

Office hours: **7:00 a.m. - 3:30 p.m.** (extended hours available upon request)

*CVCC faculty and staff aim to provide an accessible educational experience for every student, regardless of disabilities. Our goal is to help provide equitable access and reasonable accommodations to students with disabilities, based on the individual needs identified in documentation provided by the student.

Program Profile

EMERGENCY MEDICAL TECHNICIAN-BASIC

Industry Recognized Credentials:

- Basic Life Support CPR
- National Incident Management System (NIMS) 100

PHLEBOTOMY (CONTINUED)

930002 CLOCK HOURS 160 INSTRUCTOR **Jennifer Wester, MA**

Clinicals allow students to hone their new skills through supervised interactions with patients in a local health care facility.

Acceptance of students into a clinical environment is at the discretion of each facility based on staff availability and facility needs. Students will be placed in clinical assignments as space is available immediately following completion of their classroom training.

Due to COVID-19 safety protocols, CVCC reserves the right to simulate clinicals on site in the event of limitations in clinical site availability and access.

Clinical Requirements

- Appropriate Medical documentation required
- Cleared background check

Prerequisites

- 80% attendance
- 80% academic standing
- Successful completion of a written, verbal and hands-on skills assessment
- Appropriate medical documentation
- Background check on file with the CVCC Adult Education Office

WINTER 2025	START DATE	02/25/25	SPRING 2025	START DATE	07/14/25	CLASS TIMES	START TIME	Variable*	CLASS DAYS	MON	TUE	WED	THU	FRI	SAT

HVAC – HEATING AND COOLING SUPPORT TECHNICIAN CERTIFICATE

This certification exam is designed to support HVAC technicians who have worked in the field for 6 to 12 months. Topics related to North American Technician Excellence (NATE) professional level certifications are covered at a fundamental level.

By earning this certificate, technicians demonstrate increased knowledge and skills, while strengthening the foundation needed to pursue NATE professional certifications in the future. The certificate exam is monitored or proctored, and must be taken at CVCC.

Exam cost and study guide: \$150

HVAC – NATE CORE CERTIFICATION

This certification is recommended for HVAC technicians with 2 or more years of experience. NATE offers two certification pathways for technicians to choose from: the Certified HVAC Professional (CHP-5) pathway or the traditional Core and Specialty exam pathway. With the CHP-5 pathway, technicians earn their NATE certification through a series of five exams, each on a different subject domain: HVAC fundamentals; electrical and controls; comfort and airflow; installation; and service. Technicians must pass all exams in their chosen certification pathway in order to become NATE Certified.

Exam cost and study guide: \$350

Program Profile

HEATING, VENTILATION AND AIR CONDITIONING

Industry Recognized Credentials:

- Environmental Protection Agency (EPA) Refrigeration Recovery Universal
- North American Technician Excellence (NATE) HVACR Certification
- North American Technician Excellence (NATE) HVAC Support Technician

Industry Recognized Credentials:

- Articulation Agreements: The University of Akron Block Credit Hours
- (30 CH)

Michael Jackson, Class of 2020

Being a working, adult student, the schedule and price of CVCC's HVAC program worked perfectly for Michael. He was able to acquire the certifications he needed to advance from an assistant HVAC position, to a technician. Because of the training he had at CVCC, Michael is now a working HVAC technician for a local county facility.

Customized Training

Are you looking to build and develop a stronger workforce?

At CVCC, we can develop customized training programs for your employees – built around the specific needs of your business.

Through the TechCred Program, the State of Ohio will even provide annual reimbursement up to \$2,000 per student (\$30,000 per company) to help in your training efforts!

Approved TechCred training areas include:

- Microsoft Office
- Electrocardiography
- Web design and development
- Electrical maintenance technician
- CNC operation, troubleshooting and programing
- Programmable logic controls
- Electrical troubleshooting and preventative maintenance
- NIMS Computer-Aided Manufacturing (CAM) milling and turning
- Electro-mechanical engineering technology
- Heating, ventilation and air conditioning (HVAC)

No two business training programs are the same. That's because we develop our course content and schedules around your unique needs. It's as easy as providing us your objectives. Our experienced faculty will develop the curriculum.

For more information, contact customtraining@cvccworks.edu or 440.746.8242.

FIBER OPTIC TECHNICIAN (FOT) PROGRAM

3600001 **CLOCK HOURS** **40** **INSTRUCTOR** **Jimmy Franko, Certified FOT Instructor**

This 40-hour training program prepares a student to acquire entry-level skills to become a Fiber Optic Technician (FOT). An FOT member of a crew performs installation, troubleshooting, termination, splicing, testing, maintenance and repair of fiber optic cables for essential telecommunication systems; including, personal wireless communications, public safety communications, utility networks, and broadcasting. The FOT performs their job duties inside and outside of homes and buildings.

Admission Requirements: Call for more information, 440.746.8230.

- High school diploma or equivalent (enrollment in CVCC Adult Diploma Program is acceptable)
- Valid government-issued ID

Success Story

FIBER OPTIC TECHNICIAN (FOT) PROGRAM

Darlene Johnson successfully completed the Fiber Optic Technician (FOT) Program within CVCC's Adult Diploma Program in February 2024, marking a significant achievement. Having left high school in the 9th grade, Darlene faced self-doubt and embarrassment when job opportunities at the hospital eluded her due to the absence of a high school diploma. Turning to online searches for GED options led her to CVCC, where the Adult Diploma Program on campus stood out for offering a diploma along with specialized trade education.

Terri Lynn, Adult Education Director, played a pivotal role in Darlene's journey, offering unwavering patience and support. Despite moments of wanting to give up, Darlene thanks CVCC for opening doors that were once closed to her. From facing job rejections to now receiving interview offers, Darlene is experiencing a transformative shift.

With a background in the medical field since the age of 18, Darlene unexpectedly developed a passion for FOT during the program and is currently exploring apprenticeship opportunities through interviews. Darlene expresses gratitude for Jimmy, the FOT instructor, highlighting his exceptional teaching skills and motivation. Despite her initial challenges with focus and study habits, Jimmy took the time to guide Darlene, instilling confidence and dispelling her fears.

"I actually failed the first FOT exam by a few points. On my second attempt, I exceeded the necessary score by several points! I just needed to believe in myself. I'll never forget Jimmy telling me, 'I see it in you. You're not giving up. You were made for this.' Talk about encouragement!"

Darlene Johnson, Class of 2024

For those pursuing their GED or adult diploma, Darlene encourages perseverance, emphasizing that her own journey took several years. She stresses the importance of not getting discouraged and prioritizing self-worth.

Congratulations once again to Darlene! May her future endeavors be filled with success and satisfaction. CVCC proudly shares in the joy of her accomplishments, knowing that the best is yet to come.

MACHINING TECHNOLOGY

340034 **CLOCK HOURS** 650 **INSTRUCTOR** Richard Parrott

This 650-hour program includes skills for multi-level employment in the machining industry, including: machining fundamentals and tool introduction, computer numerical control (CNC) milling and turning, CAD/CAM systems, and advancing machining.

Admission Requirements

- High school diploma or equivalent
- Valid government-issued photo ID
- Start any month, complete training within twelve months
- Earn 2 NIMS credentials, additional certificate opportunities are available
- Scholarships are accessible
- Federal Student Aid is available to those who qualify
- Eligible for TechCred and additional funding

Success Story

MACHINING TECHNOLOGY

Emily Fisher recently graduated from CVCC's Adult Education Machining Technology program at just 20 years old. After moving to the area from Oklahoma, she was drawn to CVCC by its strong reputation and became especially interested in the Machining Technology program after attending Open House.

Emily's advice to future students is simple: *"Just do it."* She encourages others to dive in, as the program is broad enough to offer something for everyone, and she emphasizes the importance of staying open-minded and willing to see things from new perspectives.

Grateful for the hands-on experience and technical knowledge she gained, Emily feels that CVCC gave her a deeper understanding of machine operations and programming. Now a CNC Operator at Stanley Black & Decker, she credits her time at CVCC for helping her approach problems with fresh insight: *"CVCC really helped me re-learn how to look at things."*

Her favorite memory at CVCC was a collaborative Master Cam project where each class member contributed to a single, shared outcome. The teamwork and the satisfaction of seeing the final result were especially rewarding for her.

Emily also shares her appreciation for the instructor, Rich Parrott, who was both challenging and genuine, always ready to lend a helping hand. CVCC is proud to have been part of your journey, Emily, and we wish you all the best in your career!

Emily Fisher, Class of 2024

Current CNC Operator at Stanley Black & Decker

CERTIFIED PRODUCTION TECHNICIAN

3500001

CLOCK HOURS

180

INSTRUCTOR

Josh Wines, Certified CPT Instructor

A 180-hour program for this in-demand career has employers eager to hire, as this short term training gets you certified and career-ready. The Manufacturing Skill Standards Council (MSSC) credential system awards the Certified Production Technician credential that covers the four critical production functions, as defined by MSSC's nationally validated skills standards, common to all sectors of manufacturing: Safety, Quality Practices & Measurement, Manufacturing Processes and Production, and Maintenance Awareness. Each area is addressed with a separate assessment to help determine the knowledge of specific situations that can appear in the field.

Admission Requirements: Call for more information, 440.746.8230.

- Program Schedule: ON DEMAND
- Dates/Times of program are based on specific needs
- Eligible for TechCred and additional funding
- High school diploma or equivalent
- Enrollment in CVCC Adult Diploma Program is acceptable

Success Story

CERTIFIED PRODUCTION TECHNICIAN

Congratulations to Ben Boss and Kyle Vansteenburgh, the first graduates of CVCC's Certified Production Technician Program! These two gentlemen have successfully completed the program's four modules and passed the certification exams in the following areas, earning them the title of "Certified Production Technician (CPT) 4.0":

- Safety
- Quality Practices & Measurement
- Manufacturing Processes & Production
- Maintenance Awareness

In recognition of their achievement, CVCC (in partnership with The Lozick Family Foundation) awarded each student a set of basic tools, presented by their instructor, Josh Wines. Well done, gentlemen! CVCC is extremely proud of you.

TELECOMMUNICATION TOWER TECHNICIAN (TTT)

3700001 **CLOCK HOURS** 180 **INSTRUCTOR** Jake Giesy, Authorized Trainer
Competent Climber/Rescuer

This 180-hour training program prepares a student for an entry-level tower technician (working at heights) position in the telecommunication sector. Topics include safety, basic rigging and fall protection, principles of electricity, fiber optics, wireless technology, cell components, antenna basics, and spectrum management. Tower technicians are on the front lines of connecting America's rural, unserved, and underserved communities to broadband and high-speed communications services. As the need for broadband services grows across the globe, tower technicians and communications infrastructure contractors will be called upon to install communications and broadcast towers that connect rural, unserved, and underserved communities.

Admission Requirements: Call for more information, 440.746.8230.

- Student PAYMENT PLAN is available to those who qualify
- Job Search assistance is available
- High school diploma or equivalent (enrollment in CVCC Adult Diploma Program is acceptable)
- Valid government-issues ID

Success Story

TELECOMMUNICATION TOWER TECHNICIAN (TTT)

In September 2024, CVCC graduated its first cohort of Telecommunication Tower Technicians. Each graduate earned over eight certifications. This group of graduates consisted of Afghan refugees who previously supported the United States Military during the U.S. War in Afghanistan. As English as a Second Language (ESL) learners, they are not only strengthening their language skills but also mastering the essential safety and rigging skills required for scaling, installing, and assembling cell towers and related equipment. CVCC remains committed to helping these individuals secure employment in the expanding 5G and Broadband industry.

Certifications Earned:

- OSHA 10 (10-14 hours)
- CPR First Aid (4-6 hours)
- Authorized Climber (16 hours)
- Authorized Rescue (8 hours)
- Qualified Rigger (8 hours)
- RF Awareness (1 hour)
- Capstan Hoist Operator (3 hours)
- Lockout Tagout (1 hour)
- Hazard Communication (1 hour)
- Bloodborne Pathogens (1 hour)

Congratulations to our first cohort of Telecommunication Tower Technicians!

*All of these graduates are eligible to take NWSA's TTT1 Certification Exam

CUYAHOGA VALLEY CAREER CENTER

QUALITY EDUCATION

AFFORDABLE TUITION

LEVEL
UP
YOUR
TEAM

Get training that can boost productivity, competence and advancement – affordably – through Cuyahoga Valley Career Center (CVCC).

Employers need to offer training – whether to acclimate new employees to equipment, keep existing employees up to date on the latest software or build career paths of promise for well-performing team members.

CVCC becomes an extension of your organization, giving you access to training in a broad range of technical topics ... at a much lower cost than other third-party trainers or in-house program.

or call

440.526.5200

WE DEVELOP CUSTOMIZED PROGRAMS FOR YOUR EMPLOYEES – BUILT AROUND THE SPECIFIC NEEDS OF YOUR BUSINESS.

At CVCC, no two business training programs are the same.

That's because we develop our course content and schedules around your unique needs. It's as easy as providing us your objectives. Our experienced faculty will develop the curriculum.

We provide training for the following fields:

- **Industrial**
- **Business**
- **Information Technology**
- **Health Care**
- **And many more!**

We create specific training programs for individual businesses that range from general office software to custom-machine operations to skill advancement.

Both the courses and the schedules are flexible, helping your organization remain productive while its people gain skills.

Train more, pay less through TechCred

CVCC prides itself on the quality and costs of its training. Employers now can earn even more benefits by choosing CVCC through Ohio's TechCred program, designed to incentivize employers who invest in technology-focused credentials.

Companies that submit successful TechCred applications to the state can be reimbursed up to \$2,000 per employee – up to \$30,000 per organization per funding round. Use this reimbursement to cover or offset training costs. CVCC can show you how to properly register and use this program, which backs Ohio-based employers.

Take full advantage of the opportunities at CVCC and with the State of Ohio. Contact us today to learn more about how CVCC can deliver the training your organization needs to stay competitive and strong.

SAT TEST PREP - THREE-DAY INTENSIVE

Guidelines and Policies

Accreditation:

Cuyahoga Valley Career Center is accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350. Telephone: **800.917.2081**; www.council.org.

Consumer Information:

Refer to our website for admission guidelines, refund policies, graduation rates, gainful employment and other important information. See available student resources at cvccworks.edu/adult-education/adult-education-resources/ and cvccworks.edu/adult-education/adult-education-resources/financial-aid/.

Harassment:

Complaints should be directed to one of the compliance officers: Michael McDade, business manager at **440.838.8909** or Marcy Green, assistant superintendent, at **440.746.8228**. An anonymous report may also be filed at cvccworks.edu/district/communications/safety-and-harassment/.

Statement of Liability:

The Board of Education of Cuyahoga Valley Career Center school district, its members, officers and employees expressly disclaim any responsibility or liability for any personal injuries or the loss and/or damage to personal property. Individuals requesting registration in a course offered by Adult Education must assume the risk of all such injury or loss.

Course Admission:

Registration is open to anyone 16 years of age or older. Age requirements may vary depending upon program offerings. High school students who are enrolled in a regular high school program must have written permission from their parents and the school principal or counselor to register for a course. High school students enrolled in programs with credentials earned upon completion may be subject to additional regulations depending on the program. Documentation will be required for programs that indicate a high school diploma or GED is a prerequisite. Contact the Adult Education Office at **440.746.8230** with program-specific questions.

District Senior Citizens:

Age 60 and above.

Registration and Confirmation:

Register online, call or mail in registration with your payment. We accept all major credit cards. Registration confirmation will be sent via email or mail.

Tuition:

Tuition or enrollment on payment plan with first payment due upon enrollment. Withdrawing from a program, even on payment plan, is subject to CVCC Refund and Withdrawal policies. All tuition is subject to change. Any outstanding balance remaining on an account will be referred to the Ohio Attorney General's Debt Collection Program.

Financial Aid:

Practical Nursing, Machining Technology, Cosmetology and Esthetics are eligible for Federal Financial Aid. Students need to submit a Free Application for Federal Student Aid (FAFSA) at studentaid.gov, using CVCC's school code (016576) on the application. Three days after submitting your FAFSA contact Student Services at **440.746.8337** and set up a financial aid appointment to discuss eligibility. CVCC offers the following Federal Title IV funding: Pell Grants and Direct Loans: Subsidized and Unsubsidized Loans and Parent Plus Loans for dependent students. Direct Loans: Student loans must be repaid. Repayment starts 6 months after completing or withdrawing from the program. Students withdrawing who receive Federal Financial Aid may not be eligible for all funding that was scheduled. Calculations will be made using the Return of Title IV Funds policy, which is mandated by the U.S. Department of Education. Students may end up owing money out of pocket to Cuyahoga Valley Career Center. The Financial Aid office will process Workforce Innovation and Opportunity Act (WIOA) funding and scholarships. Adult Students at CVCC are covered under the Family Educational Rights and Privacy Act (FERPA). Please visit our website (cvccworks.edu/adult-education/adult-education-resources/financial-aid/) for more information. To remain Financial Aid eligible students must make Satisfactory Academic Progress. Program attendance and GPA requirements must be met.

Veterans Benefits:

Please contact Student Services at **440.746.8337** for more information. Cuyahoga Valley Career Center will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the Department of Veterans Affairs under Chapter 31 or 33.

Returned Checks:

A \$35 fee is charged for each returned check.

Refund Policy:

Refunds are issued in the method fees were paid, either by check (once check has cleared) or credited to your account, within 2-3 weeks of processing approved refund paperwork.

- **Withdrawal:** Students who withdraw before the first day of class and have made payment will be refunded their payment minus a \$20 administrative fee within the processing timeline. Students that withdraw after the first day of class or are dismissed due to poor academic performance or attendance will be evaluated to see if they are eligible for a prorated refund of their tuition. Tuition refunds will be prorated based on the amount of tuition paid and the percentage of the program completed by the student. Students that complete 60% of their scheduled program are not eligible for a prorated refund of their tuition. Books, fees, uniform costs, tools, and seat fee (if required) are non-refundable. The calculation to determine percentage of a program completed by a student is based on the number of hours a student could have attended class up to the date of withdrawal divided by the number of hours in the program.
- **Textbook/Material/Supply/Uniform Fees:** Fees are included in the tuition unless otherwise specified and are nonrefundable. Textbook prices are subject to change without notice.
- **Cancellation:** If CVCC needs to postpone, cancel or combine classes for any reason, we will notify you. CVCC cannot assume responsibility for any conflict in business or personal affairs that affect your ability to attend class. Refunds will be processed as stated in our refund policy.

School Closing:

When the building is closed due to inclement weather or an emergency, ALL on-campus classes are canceled. Consult local radio and/or television stations. An announcement will also be posted to our website.

Services for Students with Disabilities:

The Student Support Services office is located inside the Adult Education department. Information and forms can be found on our website (cvccworks.edu/adult-education/adult-education-resources/) or by request from Student Support Services.

Student Conduct:

CVCC's goal is to provide a positive learning experience and a safe environment for students, faculty and staff. While at CVCC, you will be expected to observe building regulations. CVCC reserves the right to dismiss a student for behavioral issues, cheating or violating CVCC policies or guidelines.

Drug and Alcohol Use and Prevention:

CVCC adheres to federal regulations regarding drug use and prevention. Possession, use of and distribution of illicit drugs, and unlawful possession and use of alcohol are strictly prohibited. Anyone who violates this regulation will be subject to disciplinary action.

Internet Usage:

Students accessing the internet through the Board's computers/network assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

The Cuyahoga Valley Career Center affirms that no person shall, on the basis of race, color, national origin, gender, marital status, ancestry, religion, age, disability, genetic information and/or military status be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity conducted under its auspices.

This shall extend to employees therein and to admission thereto. Inquiries concerning the application of this policy may be referred to the superintendent or designated coordinator.

This policy shall prevail in all Board policies concerning school employees and students. The Board of Education has designated an administrator to carry out these policy statements and shall be responsible for compliance within these designated areas. Complaints, questions or requests for information regarding Title VI (race, color and national origin), Title IX (sex), or Section 504 (disability) should be directed to the Compliance Officer at 440.526.5200.
