Main Business: Manufacturing Industrial Sensors

Job Title: Fabrication and Assembly Shop Technician

Full/Part-time: Part-Time

Job Hours: Monday to Friday. Work hours: 8:00 am to 4:00 pm.

Job Duties: Join a small manufacturing company's fabricating and assembly shop as a valued team member. We are seeking an individual who is reliable, detail-oriented, and eager to learn. If you have a mechanical aptitude, manual dexterity, and a cooperative attitude, we invite you to apply. While experience in manufacturing is preferred, we are willing to train the right candidate.

Responsibilities:

- Perform fabrication and assembly tasks according to established procedures and guidelines.
- Pay attention to details and ensure quality standards are met.
- Learn and execute various tasks including shipping/receiving, light machining, and interpreting engineering drawings.
- Collaborate effectively with team members to accomplish tasks efficiently.
- Maintain a clean and organized work area.
- Adhere to safety protocols and guidelines to ensure a secure work environment.
- Continuously seek opportunities to improve skills and learn new tasks.

Qualifications:

- High school diploma or equivalent (Preferred).
- Prior experience in manufacturing or similar environment is a plus.

Mechanical inclination and manual dexterity.
Ability to work well in a team and communicate effectively.
Reliable and punctual attendance.
Flexibility regarding work schedule and responsibilities.
Willingness to learn new tasks and processes.
Basic reading and comprehension skills for engineering drawings

Schedule and Benefits:

Part-time position, Monday to Friday.
Work hours: 8:00 am to 4:00 pm.
Starting wage: \$16.00 per hour, with potential for quarterly bonuses.
Paid time off (PTO) eligibility after 90 days.
Opportunity to participate in the 401(k) retirement plan.
Employee Profit Sharing Program.
Flexible schedule and understanding of occasional time-off needs.
Background check will be conducted.

If you are a dedicated individual with a passion for learning and contributing to a manufacturing team, we encourage you to apply. Please submit your application, including your resume and any relevant experience. Background check will be performed.
